Chairman, CTR
President, CTR
Executive Vice President, CTR
Research Director, CTR
Associate Research Director, CTR
Associate Research Director, CTR
Associate Research Director, CTR
Associate Research Director, CTR

1. A total of ten Cases were discussed of which five were encouraged and five discouraged as to filing applications.
2. It was agreed that CTR policy does not contemplate the awarding of grants to support research by federal agency employees.
3. An award of \$2,500 to the International Academy of Pathology was approved. The money is to be used to finance travel expenses to that institution's Miami convention in 1984.
4. An award of \$3,500 for travel expenses to past and present CTR grantees was approved. This is in connection with the convention of the International Society for Developmental Neurosciences to be held in Chieti, Italy in June, 1984.
